Dear Sir,

 Permit me to introduce myself as a student of ever-growing industry. I have strong experience in the field of Graphic Designing (UI/UX), Web Development, Desktop Application Development.

I am looking for a job in the above-mentioned fields, which would mean working with the finest and using the vast amount of information I've accumulated over time period. I believe that my strong points are hard work and determination to succeed. I have profound faith in my abilities to communicate and co-ordinate. If given the opportunity in your organization. I will make sure that the knowledge I gained will be put to use to the best of my abilities.

 I look forward to a positive response.

Thanking you in anticipation.

 Kind Regards,

Hamza
